## Straight Bill of Lading (Not Negotiable)

If a motor carrier, freight forwarder, broker or other transportation service provider accepts this shipment from anyone other than the shipper listed hereon, it agrees to seek payment of its charges exclusively from the entity from which it accepted the shipment and expressly waives any other collection rights or remedies otherwise available to it, including any right to seek payment of the transportation charges from the consignor or consignee.

RECEIVED, subject to individually determined rates or contracts that have been agreed upon in writing between the carrier and shipper, the property described below, received in good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as shown below. This Bill of Lading is not subject to any tariffs or classifications whether individually determined or filed with any federal or state regulatory agency, or maintained by the carrier, except as specifically agreed to in writing by the Shipper and Carrier. Rate individually determined and NOT subject to filed tariffs. No limitation of carrier liability applies to this shipment.

---

### Shipper

This is to certify that the above named materials are properly classified, described, packaged, marked and labeled, and are in proper condition for transportation according to the applicable regulations of the Department of Transportation.

### Carrier

Carrier certifies that the truck supplied for this shipment is a proper container for the transportation of this commodity
