Canada R2C 2Z2

**Straight Bill of Lading / Transaction Receipt**

Warning: Some or all of the petroleum products covered by this bill of lading were transferred at the customers request into the customers storage tank. The condition of such tank is unknown to the consignor and it's agents. Said condition may alter the quality of product which if used to fuel machinery may cause power loss or harm to the engine. Consignor and it's agents do not accept responsibility for the quality of the product in a customers storage tank. Transfer of liability and title of product occurs upon transfer into the customers storage system.
